

WOMEN'S RETREAT AT
ST. PAUL OF THE CROSS RETREAT CENTER

*Imagine a place of peaceful solitude. Imagine a place where you can leave life's burdens at the door.
Imagine a place that welcomes you with open arms. Imagine a place that accepts you for who you are.
Imagine a place that loves you unconditionally.*

Imagine a place where you can find the solitude to be alone with your thoughts.

Imagine a place where friendships are made and fellowship is common.

Imagine a place without cell phones, telephones and pagers. Imagine a place with no deadlines or commitments.

Imagine a place where you can share a laugh or a tear with a good friend.

Imagine a place with a garden where you can walk with the Lord.

Imagine a place where Jesus can be found if you seek Him. Imagine a place for prayer.

Imagine a place where in silence you can hear the whisper of God. Imagine this place.
